

Nature's Nursery Presents

Walk for Wildlife

Show you care about wildlife by taking a walk on the wild side!

What is it? An exciting one-mile walk featuring ten stops that brings you close-up to Ohio wildlife including raptors, reptiles, small mammals, amphibians, butterflies, fish and more. All ages are welcome. Walk at your own pace!

When? Saturday, May 8, 2010. Rain or Shine. Event check-in is at 9AM. Walk starts at 10AM.

Where? Blue Creek Conservation Area. Located at 7790 Schadel Road, Whitehouse, OH 43571.

How do we participate? Walkers are asked to donate at least \$20 to support Nature's Nursery care of injured and orphaned wildlife. Groups and individuals are welcome to take pledges to participate. The first 50 walkers to register will receive a 32 oz. Nature's Nursery BPA-free water bottle!

Need more information? For map, registration and pledge form, go to www.natures-nursery.org or call us at 419-877-0060.

Bring your water bottle and lunch to enjoy afterward. Picnic tables and water refills provided. Please keep pets at home.

Displays and activities provided by Nature's Nursery, Metroparks of the Toledo Area, Lucas Soil and Water Conservation District, Claire's Day, Lourdes College Life Lab, Wild Ones, ODNR Small Streams, and Oak Openings Raptor Monitoring Project.

For over 20 years, Nature's Nursery Wildlife Rehabilitation and Education Center has been caring for injured, ailing and orphaned wildlife. Last year, over 15,000 people called the Nature's Nursery hotline to help wildlife, and over 1000 animals were released back into the wild. Nature's Nursery is a non-profit organization that receives no taxes and relies on memberships, grants and donations to operate.
