

Nature's Nursery offers new series of programs

For years, Nature's Nursery has brought fun, informative nature programs to local classrooms, scout troop meetings, and even adult groups and clubs. Now, for the first time, we are pleased to offer a series of our most popular programs to the public! To sign up, simply fill out the form below and mail it to Nature's Nursery with your payment. Classes are expected to fill quickly, so register early. Questions? Call Nature's Nursery at 419-877-0060.

Ravenous Raptors

Delve deep inside the world of predator and prey as you learn what it takes to survive as a raptor. You'll meet several different birds of prey in this naturalist-led program, and then build a kestrel or screech owl nest box to take home.

Thursday, July 9, 2009 6:30-8 p.m.

Nederhouser Hall, Olander Park, 6930 Sylvania Ave.
Ages 8 and up (Adult is required to attend with child)
\$20/non-members, \$18/members (no charge for adult)

Those Outrageous Owls!

Are owls really wise? Judge for yourself after you meet some of Nature's Nursery's wide-eyed residents in this fun, informative program about owls. You'll even have a chance to dissect an owl pellet – and you won't believe what you'll find inside!

Saturday, June 13, 2009 10-11:30 a.m.

577 Foundation, 577 E. Front St., Perrysburg
Ages 9 and up (Adult is required to attend with child)
\$12/non-members, \$10/members (no charge for adult)

Discover Wildlife in Your World

There are animals all around us — if we only know where to look. Meet some of our feathered and furry friends and learn how to recognize and attract similar wildlife to your own backyard. You'll even learn how to make homemade suet and create a bird feeder to take home!

Thursday, July 30, 2009 6:30-8 p.m.

Nature's Nursery, 7790 Schadel Rd., Whitehouse
Ages 6 and up (Adult is required to attend with child)
\$15/non-members, \$13/members (no charge for adult)

A Place to Call Home

Have you heard stories recently about deer walking into businesses, or coyotes being spotted digging in trash cans in the middle of the city? Wild animals are all around us, whether we see them or not. You'll meet several of our animal ambassadors and learn about the astonishing places animals make their homes in this informative program about habitat loss. You'll finish by building a squirrel nest box that you can take home or donate to Nature's Nursery for use in our outdoor rehab cages.

Saturday, June 27, 2009 10-11:30 a.m.

Common Space, 1700 N. Reynolds Rd., Toledo
Ages 8 and up (Adult is required to attend with child)
\$20/non-members, \$18/members (no charge for adult)
